Fort Carbon Jan 4. 16th 1857

Mr Joel Cadbury

I write to give Statement of Albert's Notes maturing this month and next; and to seek your advice as to the best mode of meeting them. The Note due on 4th inst lies under Protest at Mexico Banks. Not receiving any letter from Ford, I could not act, of course, safely in Jany. 15th $94.76

Feby	7.	Levi Brown & Co	$315
"	10.	Eckert & Guilford	$150
"	18		$185.95
"	22d		$200
"	12	Leonard & C	$192.58
			$1044.09

The Note for $94.76 due one week from to-day, is in the hands of a Jew, who will not recede from the Check of a Protest for a long time — and would pursue such a course, in case of the Note's being Protested, that Albert would be injured seriously — The Note due on 7th Feby is in hands of the Firm to which the Note protested on Monday, was given. This latter Note was named through many hands since first given — Hoping to hear from
